Declaration

For your own benefit and protection you should read the contents of the declaration carefully before signing. If you do not understand any point please ask for further information.

I confirm that I wish to proceed with the transfer of my benefits with the Scheme Provider noted above to my GPC Premier SSAS.

In the case of a transfer from a Defined Benefits Scheme (also known as a Final Salary scheme), or a Section 32 with a guaranteed benefit, I understand the transfer cannot be accepted unless I have received appropriate financial advice, including a positive recommendation to transfer, in writing from an individual or firm authorised and qualified to give such advice.

I understand that it is my responsibility to ensure that the transfer is in my best interests and that neither the SSAS Corporate Trustee or GPC Premier SSAS Limited can accept responsibility if it turns out that the transfer was not in my best interests.

I understand that if the transfer value received is a different amount to the transfer value quoted, it may affect the benefits provided within my GPC Premier SSAS.

Furthermore, I understand the transfer cannot proceed until I have provided GPC Premier SSAS Limited with a copy of that advice and this has been deemed to be acceptable by them.

Where funds from other pension arrangements are to be transferred to my GPC Premier SSAS, I consent to the payment of the transfers. I authorise GPC Premier SSAS Limited and the SSAS Corporate Trustee to obtain any relevant information from my current Scheme Provider that is required in order to facilitate this transfer happening. I request and consent to the transfer of my current arrangement to my GPC Premier SSAS.

I make the following declarations to the administrators of any plans from which I am transferring to my GPC Premier SSAS:

- I authorise and instruct you to transfer funds from the plan(s) detailed in this request directly to GPC Premier SSAS Limited. Where you have asked me to give you any original policy document(s) in return for the transfer of funds and I am unable to do so, I promise to accept responsibility for any claims, losses and expenses of any nature which you may incur as a result of having made the transfer(s) listed in this request.

Declaration

- I authorise you to release all necessary information to GPC Premier SSAS Limited to enable the transfer of funds to my GPC Premier SSAS.
- I authorise you to obtain from and release to my appointed financial adviser any additional information that may be required to enable the transfer of funds to complete.
- If an employer is paying contributions to any of the plans as listed in this request, I authorise you to release to that employer any relevant information in connection with the transfer of funds from the relevant Plan(s).
- Until this application is accepted and complete, GPC Premier SSAS Limited's responsibility is limited to the return of the total payment(s) to the administrators of the current plans.
- Where the payment(s) made to my GPC Premier SSAS represent(s) all of the funds under the plan(s) detailed in this application, then payment made as requested will mean that I shall no longer be entitled to receive pension or other benefits from the plan(s) listed.
- Where the payment(s) made to my GPC Premier SSAS represent part of the funds under the plan(s) detailed in this application, then payment made as requested will mean that I shall no longer be entitled to receive pension or other benefits from that part of the plan(s) represented by the payment(s).
- I promise to accept responsibility in respect of any claims, losses and expenses that GPC Premier SSAS Limited and the administrators of the current plans may incur as a result of any incorrect information provided by me in this application or of any failure on me to comply with any aspect of this application.
